

Home nurse aide Job Description Template

We have vacancies for Home Nurse Aide to join our growing team. You will be tasked with helping patients with personal hygiene, minor medical needs, housekeeping, and other daily needs as required by the patient. To excel in this role you should have an interest in health care and the ability to work with limited supervision keeping the patient's needs as your top priority.

Home Health Aide Responsibilities:

- Help patients with personal hygiene, dressing, bathing and other daily tasks.
- Perform basic health care services for patients including checking vital signs or administering prescription medication.
- Work with a doctor, nurse, personal caregiver and other in-home care professionals.
- Observe and report on patient condition.
- Keep up with in-service training.
- Assists with Activities of Daily Living (ADL) by serving meals and feeding patients as needed; offering fresh water and snacks; helping patients ambulate; and turning, positioning, and transferring patients.
- Takes care of patients' personal hygiene by assisting with or giving bed baths, baths, or showers; toileting by offering bedpans and walking patients to the toilet; providing backrubs and skin care; and keeping patients clean at all times.
- Follows doctor instructions to perform procedures, including but not limited to administering enemas; applying dressings, ice packs, and heat treatments; giving sitz or therapeutic baths; and applying restraints on the order of a physician

Home Health Aide Requirements:

- Required certification from Nursing Council
- Ability to communicate and be compassionate to patients.
- Non-smoking.
- Medical examination certificate as outlined by the company.
- Must be able to pass a criminal background check- Certificate of Good Conduct.
- Must be able to provide references.
- Complies with Company Privacy regulations by protecting confidential patient information.
- Follows all policies and procedures to maintain a safe home setting.
- Participates in all training and continuing education. Maintains licensure to meet federal, state, and accreditation standards.
- Ability to work with limited supervision.
- Ability to follow written and verbal instructions.
- Have good personal hygiene.
- Knowledge in French, Spanish or/and Italian is an added advantage.
- Driving Skills and valid Driving License is an added advantage
